

Newsletter Term 4 March 2022

It's term 4 already, where is this school year going. Like they say, time flies when you are having fun!
This term we would like to welcome 5 new children and their families to Pre School.
Rapha, Scarlett, Harper, Chloe and Elowen.

We are pleased to announce that we are now open on a Friday morning (9am to 12noon) if you haven't already and would like your child to have a place, please contact Zena via email stonesfieldpsad@outlook.com

During Term 4 we will be investigating the season 'Spring'. New growth, life cycles and baby animals. Arriving in the post soon will be 4 very tiny hungry caterpillars. The children always have great pleasure seeing them grow and grow, then watch as they turn into cocoons and then develop into painted lady butterflies. They are then released into the wild to start the cycle all over again.
We will also be celebrating and making lots of nice things for Mother's Day and Easter.

Healthy Eating Week.

Healthy eating and oral health are very important in early years. Even at this young age we are encouraged to teach the children the importance of a healthy diet and knowing which foods and drinks are healthy and which foods and drinks are not so healthy and need to be eaten in moderation.

Therefore, during week 3, WB 14th March, we will be having a healthy eating week. You **do not** need to provide your child with a snack that week. The staff will be preparing healthy snacks throughout and encouraging the children to try new foods.

Special diets and food allergies we always taken into consideration.

Pre School has been very fortunate to receive a kind donation from The Freemason's, Alfred Lodge, Oxford. With the money we intend to purchase a new book case. This will enable us to keep more books out for the children and create a welcoming book corner.
We greatly appreciate their kindness.
